VENASHY Pty Ltd

Event Infrastructure & Management

STAGE, TRUSS & INFRASTRUCTURE

Safe, scalable modular structures engineered for event production.

Structural systems engineered around stage size, loading limits, venue access, and production requirements

WHAT WE OFFER

- Tailored System Design
- Professional installation
- Technical support
- Configured for each event

WHAT THIS CATALOGUE COVERS

- Modular Truss Systems
- Staging & Platforms
- Rigging, Access & Safety
- Venashy Fabrication & Complete Systems

2027 Stage, Truss & Infrastructure Catalog

VENASHY

VENASHY Pty Ltd

Event Infrastructure & Management

STAGE, TRUSS & INFRASTRUCTURE

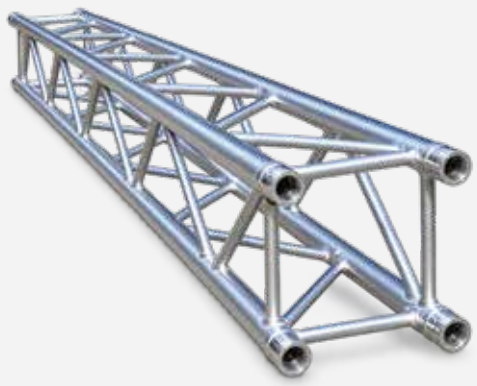

MODULAR TRUSS SYSTEMS

Professional spigot truss families with matching connectors and support components.

400mm Box Truss

Heavy-duty span system

- 50 x 3mm main tubes
- Four-sided construction
- Large roof and production spans

290mm Box Truss

Versatile event truss

- Compact modular format
- Lighting and screen support
- Indoor and outdoor use

Corner & Apex Sections

Purpose-built connectors

- Multiple geometry options
- Compatible system sections
- Custom structure layouts

Sleeve Blocks & Bases

Tower support components

- Tower lifting systems
- Base and top sections
- Outrigger compatibility

CONFIGURATION & AVAILABILITY

Final systems are tailored to each venue and event. Contact ***VENASHY EVENTS*** for technical planning and custom solutions. Click below to

STAGE, TRUSS & INFRASTRUCTURE

VENASHY FABRICATION & COMPLETE SYSTEMS

Selected structures are manufactured, fabricated or assembled by VENASHY and delivered with the components required for safe operation.

Complete Roof Truss System
modular structure

- Matching towers and roof spans
- Sleeve blocks and top sections
- Configured to venue requirements

Complete Connection Kits
Pins, clamps and connectors

- Matched structural hardware
- System-compatible components
- Packed for efficient deployment

Power & Hoist Control
Six-way event control system

- Hoist controller and distribution
- Protected connection points
- Configured to lifting system

Bases & Outriggers
Adjustable structural support

- Adjustable base assemblies
- Outrigger stability braces
- Configured for tower deployment
