About Us & Our Story

Venashy Events Infrastructure & Management is a 100% Black-owned, female-led South African company specializing in event infrastructure, production, and management services. The company delivers tailored solutions for corporate, government, private, entertainment, sporting, and community events, offering services such as event planning, tent and marquee hire, staging, lighting, sound, audiovisual production, logistics, décor, seating, and complete event infrastructure.

Driven by a commitment to excellence, Venashy combines creativity, technical expertise, and meticulous planning to create seamless and memorable event experiences. Beyond providing infrastructure, the company focuses on building strong partnerships, supporting economic growth, developing skills, creating jobs, and delivering solutions that align with each client's unique vision and objectives.

Mission

To deliver innovative, reliable, and world class event infrastructure and management solutions that create exceptional experiences through professionalism, quality service, operational excellence, and customer focused execution.
